Read all instructions BEFORE assembly and USE of product.
IMPORTANT - RETAIN FOR FUTURE REFERENCE. READ CAREFULLY
• Failure to follow these warnings and the instructions could result in serious injury or death.
• FALL HAZARD — To help prevent falls, do not use this product when the infant begins to push up on hands and knees, has reached 10lbs, or reaches approximately 5 months of age, whichever comes first.

**SUFFOCATION HAZARD!**
Infants have suffocated:

- In gaps between an extra pad and side of the mattress pad
- On soft bedding

Use ONLY the mattress pad provided by Dream On Me.
NEVER add a mattress, pillow, comforter, or padding.

**WARNING**
To reduce the risk of SIDS, pediatricians recommend healthy infants be placed on their backs to sleep, unless otherwise advised by your physician

**WARNING**
- Please follow all of these instructions to ensure the safety of your child.
- Failure to follow these instructions could result in serious injury or death.
- Retain these instructions for future reference.
- NEVER leave child unattended, allowing your child near the bassinet.
- Keep fingers(yours and baby’s)away from hinges when opening or closing the bassinet. Be certain the bassinet is locked in the open position before allowing your child near the bassinet.
- Strings can cause strangulation! Do not place items with a string around a child’s neck, such as hood strings or pacifier cords. Do not suspend strings over a bassinet or attach strings to toys.

**WARNING**
- When using the bedside sleeper, never place the product near edges of counter tops, table, or other high surfaces.
- Never allow the mattress pad to be used as a toy.
- To clean, use only mild household soap or detergent and warm water on a sponge or clean cloth.
- Check your mattress pad for loose screws, worn parts, torn material or stitching on a regular basis. Replace or repair parts as needed.
- Discontinue use of the bedside sleeper should it malfunction or become damaged or broken. Please contact Dream On Me for repair or to obtain replacement parts.
- Adult supervision is necessary.
- The minimum range required for this item is around 1 square meter.
- The bedside sleeper is designed to provide a sleeping area for an infant until he or she begins to push up on hands and knees or approximately 5 months of age. Move your child to another sleeping product when your child reaches this stage.
- Always read and follow assembly instructions for each product use (co-sleeper or bassinet).
- Always use ALL required parts for each use (co-sleeper or bassinet).
- Check instruction manual for a list of required parts. Periodically check product for loose, damaged, or missing parts.
- DO NOT use bedside sleeper if any parts are missing, damaged, or broken. Contact Dream On Me for replacement parts and instructions if needed. DO NOT substitute parts.
- Keep instructions for future use.
- Always read and follow assembly instructions for each product use (co-sleeper or bassinet).
- Assemble product according to manufacturer’s instructions for ANY use (co-sleeper or bassinet).
- If a sheet is used with the mattress pad, use only the one provided by Dream On Me or one specifically designed to fit the dimension of the bassinet mattress.
**WARNING**

To avoid injury from the infant’s neck caught on the top rail on the side that is next to the adult mattress, the top rail must be no higher than the adult bed mattress.

**WARNING**

Make sure the removable side is locked when it is no longer attached to the adult bed.

**WARNING**

- **Entrapment Hazard** — To prevent death from entrapment, co-sleeper must be properly secured to adult bed using the attachment system.
- There must be no more than 13mm gap between bedside sleeper and adult bed.
- Check tightness before each use by pulling bedside sleeper in a direction away from adult bed.
- If gap exceeds 13mm, DO NOT use product. Do not fill the gap with pillows, blankets or other items that are suffocation hazards. When it is used as co-sleeper, the safety belt must be fastened to the adult bed.

**WARNING**

This co-sleeper is designed for use only with adult beds that are between 17.2 and 22.4 inches from floor to top of adult mattress. Mattress, box spring, and bed frame must share the same width. The product cannot attach to the adult bed if the frame is bigger than the box spring.

**WARNING**

The bedside sleeper must be properly secured to adult bed by tightening the safety belt.

**WARNING**

CORRECT

The top rail lower than the adult bed mattress.

WRONG

The top rail higher than the adult bed mattress.

**WARNING**

TIGHT AND SAFE

UNACCEPTABLE BED TYPE

TOO FAR

Notice for using attachment system. Fasten the belts and put the box spring back.
How to Clean Co-Sleeper
To clean, use only mild household soap or detergent and warm water on a sponge or clean cloth.

Parts List
Please check to make sure that all of the following parts listed are included in the box when opened. If there are any missing parts, please contact Dream On Me before using the product.

To Open The Bedside Sleeper:
1. Put the product on a flat platform.
2. Lift the two legs and push them to vertical position.
3. Check and make sure that the two metal pins work. Then the product is fixed. Turn it over and put the mattress pad in.
To Use The Co Sleeper:

1. The height of Co Sleeper is adjustable. It has 4 gears. One side of the cot is detachable. There is a retractable basket underneath.
   * Adjust the height of the cot, i.e., position 1 to 4 in order to attach it to the adult bed.

2. To remove the flexible side, open the two zippers and turn two clips on both ends counterclockwise by 90° to the flat position, while lifting them to release the side. To close the flexible side, put the rail back and turn the two clips as shown above clockwise by 90° to lock it. Then, zip up the zippers.

3. There are two functional buttons on the legs of both sides. It takes two steps to change the height of the cot. Push the button with up-arrow upward and press it with one hand while using the other hand to lift the cot. Release the button when the cot reaches the suitable height.

To Fold The Co Sleeper:

1. Adjust Bedside Sleeper to the "FOLD" position, i.e., the lowest position. Check to see the mark "FOLD" on both sides. Then, turn over the cot and put it on a flat platform. Press the two long oval buttons to unlock the fixed pins.

2. Put the legs down while pressing the two buttons for folding.

3. Put the Bedside Sleeper base in the center of the frame, and insert the lower pair of the cot feet between the frame and cot base. Then, it is folded completely.
