**Care & Maintenance**

1. Regular care and maintenance contribute to the safety and longevity of your product. Environmental influences and outdoor storage could cause corrosion. Therefore, always store your baby playpen indoors.
   - Do not keep the product in a damp, cold, or hot place.
2. We recommend regular maintenance of the frame. Use a damp cloth and mild detergent to wipe away the dirt. Do not use abrasives or solvents.
3. Never force any folding or adjustable parts.
4. Ensure that all panels are correctly engaged before use.
5. Regularly check unit to ensure that no parts are loose or broken.
6. Use only spare parts which are supplied by the manufacturer. The use of non original spare parts can compromise the product safety.
7. Do not use the product if components are not assembled and fitted properly.
8. The product must always be positioned on flat surfaces.
   - Do not use it on sloping surfaces.
9. Keep away from fires.
10. Do not move the product while the baby is sitting in it.
