Assemble Way

On one side of each panel there are 2 pegs (1 upper and 1 lower) and on the other side there are 2 holes (1 upper and 1 lower). Line up the upper peg with the upper hole and the lower peg with the lower hole, and insert both pegs in at the same time. Repeat with each panel as required.

- Watch your fingers when assembling the playpen.

Care & Maintenance

1. Regular care and maintenance contribute to the safety and longevity of your product. Environmental influences and outdoor storage could cause corrosion. Therefore, always store your baby playpen indoors. Do not keep the product in a damp, cold, or hot place.

2. We recommend regular maintenance of the frame. Use a damp cloth and mild detergent to wipe away the dirt. Do not use abrasives or solvents.

3. Never force any folding or adjustable parts.

4. Ensure that all panels are correctly engaged before use.

5. Regularly check unit to ensure that no parts are loose or broken.

6. Use only spare parts which are supplied by the manufacturer. The use of non original spare parts can compromise the product safety.

7. Do not use the product if components are not assembled and fitted properly.

8. The product must always be positioned on flat surfaces. Do not use it on sloping surfaces.

9. Keep away from fires.

10. Do not move the product while the baby is sitting in it.

11. Children have died or been seriously injured when gates are not securely installed.

- ALWAYS install and use gate as directed, using all the required parts.
- NEVER use the gate to keep child away from pool.
- Use only with locking mechanism securely engaged.
- STOP using when child can climb over or dislodge the gate.
- Install with the side with lock button of door panel AWAY from child.
- To prevent falls, NEVER use at top of stairs, or in middle of stairs.
- ALWAYS use the product on flat floor.
