WARNING

1.) Read the instructions carefully before assembly and use of the walker. Keep instructions for future use.
2.) Never leave child unattended. Always keep child in view while in walker.
3.) Use only on flat surfaces free of objects that could cause the walker to tip over.
4.) To avoid burns, keep the child away from hot liquids, ranges, radiators, space heater, fireplaces, etc.
5.) This baby walking frame is intended to be used by children who can sit unaided, approximately from 6 months. It is not intended for children weighing more than 12kg.
6.) STAIR HAZARD:
    Avoid serious injury or death.
    Block stairs/steps securely before using walker.
7.) Do not use the walker if it is damaged or broken.
8.) Do not use until baby can sit up by itself.
9.) Should you have any questions about your baby walker or experience any difficulties, please contact the retailer from which you purchased the product; your local retailer is in the best position to promptly address any requirements.
10.) The baby walker complies with ASTM F977-12.

Care and Maintenance:

1.) Never force mechanisms or moving parts. If you are not sure what to do, refer to the instructions.
2.) Clean plastic and metal parts with a damp cloth or a light detergent. Clean safety rubbers regularly to maintain stopping performance. Do not use solvents, ammonia or petrol.
3.) Regularly check unit to ensure no parts are loose or broken.
