Read all instructions BEFORE assembly and USE of product. KEEP INSTRUCTIONS FOR FUTURE USE.

MODEL #: X 417

Carry bag:
- Portable cot with 4 feet attached
- Mattress pad
- 4 poles

Operation And Installation
1. Unzip the travel bag and open the mattress.
2. Unfold cot and straighten it. Ensure you hear it click/lock into place.
3. Take out 4 poles from small bag. Insert all four poles. Ensure the pop pin clicks into place.
4. Attach 4 feet into the hole of the poles. Turn cot upright.
5. Place mattress into cot and then turn as per diagrams. Find the straps under each mattress corner. Pass straps through the slit at the base of the cot and connect them to the hook on each foot.

To Fold The Play Yard
1. Unhook the mattress straps from each corner. Fold mattress in half. Turn and add 1 & 1/2 mattress from cut base.
2. Turn and upside down. Detach feet from poles on each corner first.
3. Push in release pin and remove poles, place 4 poles into small bag.
4. Push release button (in the middle of the long top rail) to unlock cut and fold it in half.
5. Place frame and poles onto mattress, fold mattress into a U-shape and place into carry bag.
