Child in play yard must be under supervision at all times.

Avoid strangulation hazards:
- Straps can cause strangulation. Never place them over or under a child's neck such as hood strings or pacifier cords.
- Never suspend children over or attach straps to toys.
- Disconnect use of the product when a child is able to climb out or reaches the height of 33 in (80cm).
- When child is able to pull to standing position, remove bumper pads, large toys, and other objects that could serve as steps for climbing out.
- When child is able to pull to standing position, set mattress bar to lower adjustment position and remove bumper pads, large toys, and other objects that could serve as steps for climbing out.
- Never suspend slings into the play yard.
- Never place the play yard near a window where cords from blinds or drapes can strangle a child.

Caution:
- Child in play yard must be under supervision at all times.

Avoid other hazards:
- Keep play yard away from stairs, heating, fireplaces, and other hazards which can cause injury to your child.
- To reduce the risk of SIDS/Sudden Infant Death Syndrome, pediatricians recommend healthy infants be placed on their back to sleep unless otherwise advised by a physician.
- DO NOT place more than one child in a play yard.
- DO NOT use in motor vehicle while child can be seriously injured during an accident or sudden stop.
- DO NOT move or fold assembled with child in a child who could be injured.
- Always provide the supervision necessary for the continued safety of your child. When used for playing, never leave child unattended.
