WARNING!
- Failure to follow these warnings and instructions could result in serious injury or death. Read all instructions before assembling. Keep instructions for future use. Upon completion of assembling, make sure all screws, bolts, and fastening devices have been securely tightened.
- Never use this product if there are any loose or missing fasteners, loose joints, broken parts, or torn mesh/ fabric. Check before assembly and periodically during use.
- Contact DREAM ON ME for replacement parts and instructional literature if needed.
- Never substitute parts, the product including side rails, must be fully erected prior to use.
- Discontinue use of the product when child is able to climb out or reaches the height of 35" (900mm).
- Never place product near window where cords from blinds or drapes can strangle a child.
- When child is able to pull to standing position, set mattress/base to lowest adjustment position and remove bumper pads, large toys, and other objects that could serve as steps for climbing out. A child can trap parts of the body or clothing on loose fasteners.
- Never use plastic shipping bag or other plastic things as mattress covers because they can cause suffocation.
- CAUTION: Any mattress used in this crib must be at least 27-1/4" (690mm) by 51-5/8" inches (1310mm), with a thickness not exceeding 6 inches (150mm), the dimensions of the mattress shall be taken from seam to seam or edge to edge where appropriate.
- Never use a water mattress with this product.
- Strings can cause strangulation! Never place items with a string around a child’s neck, such as hood strings or pacifier cords. Never suspend strings over product or attach strings to toys.
- Infants can suffocate in gaps between a mattress and crib side which is too small. On soft bedding never add a mattress, pillow or comforter. Never place additional padding under an infant.
- To reduce the risk of SIDS, pediatricians recommend healthy infants be placed on their back to sleep, unless otherwise advised by your physician.
- If refilling, use a non-toxic finish specified for children’s products.
- To help prevent strangulation, tighten all fasteners. A child can trap parts of the body or clothing on loose fasteners. Follow warnings on all products in a crib. See head panel & mattress support for instructions and warnings.
- Replace teething rail if damaged, cracked or loose.
