- Never use this product if there are any loose or missing fasteners, loose joints, broken parts, or torn mesh/fabric. check before assembly and periodically during use. Contact DREAM ON ME for replacement parts and instructional literature if needed.
- Never substitute parts, the product including side rails, must be fully erected prior to use.
- ■Discontinue use of the product when child is able to climb out or reaches the height of 35in (900mm).
- Never place product near window where cords from blinds or drapes can strangle a child.
- ■When child is able to pull to standing position, set mattress/base to lowest adjustment positionand remove bumper pads, large toys, and other objects that could serve as steps for climbing out. A child can trap parts of the body or clothing on loose fasteners.
- Never use plastic shipping bag or other plastic things as mattress covers because they can cause suffocation.
- CAUTION: Any mattress used in this crib must be at least 27-1/4inches(690mm) by 51-5/8 inches(1310mm), with a thickness not exceeding 6 inches(150mm), the dimensions of the mattress shall be taken from seam to seam or edge to edge where appropriate.
- Never use a water mattress with this product.
- Strings can cause strangulation! Never place items with a string around a child's neck, such as hood strings or pacifier cords. Never suspend strings over product or attach strings to toys.
- Infants can suffocate in gaps between a mattress and crib side which is too small. On soft bedding never add a mattress, pillow or comforter. Never place additional padding under an infant.
- To reduce the risk of SIDS, pediatricians recommend healthy infants be placed on their back to sleep, unless otherwise advised by your physician.
- If refinishing, use a non-toxic finish specified for children's products.
- To help prevent strangulation, tighten all fasteners. A child can trap parts of the body or clothing on loose fasteners. Follow warnings on all products in a crib. See head panel & mattress support for instructions and warnings.
- Replace teething rail if damaged, cracked or loose.
