

Karley Bassinet

Lightweight, stylish, and spacious- the Karley Bassinet is every new parents' dream come true! One of its standout features is its portability. Weighing 12.4 lbs, it comes with a no-tool assembly & a lightweight aluminum frame, which allows you to move it from room to room. Thanks to a quick-folding mechanism, you can carry it outdoors without any hassle and use it there as well! You'll never be short of space with the Karley Bassinet. It is spacious and airy and comes with an adjustable double canopy that keeps nasty bugs and curious pets at bay. Your baby's essentials are never far away thanks to the attached large storage bag. It comes in nine beautiful finishes to blend in with any nursery theme. It is made of easy-to-clean soft and safe polyester foam fabric. It comes with a dual-sided 1-inch thick mattress pad as recommended by the ASTM/CPSC. Mattress pad dimensions are 30Lx15Wx1H inches. The bassinet dimensions are 33Lx19.5Wx37H. The height with the canopy is 37 inches, height without is 27. Recommended for newborns up to 25 lbs.
