Read all instructions before assembling and using the product.
IMPORTANT - Keep instructions for future use.

⚠ WARNING

Failure to follow these warnings and the instructions could result in serious injury or death.

FALL HAZARD — To help prevent falls, do not use this product when the infant begins to push up on hands and knees, has reached 25lbs, or reaches approximately 5 months of age, whichever comes first.

SUFFOCATION HAZARD!

Infants have suffocated:

- In gaps between extra padding and side of the bassinet/cradle, and
- On soft bedding.

Use **ONLY** the pad provided by Dream On Me.

NEVER add a pillow, comforter, or another mattress for padding.

To reduce the risk of SIDS, pediatricians recommend healthy infants be placed on their backs to sleep, unless otherwise advised by your physician.

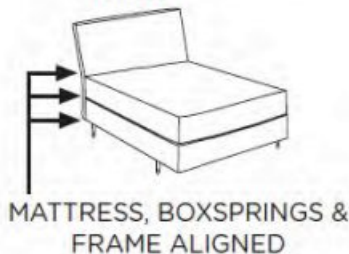

If a sheet is used with the pad, use only the one provided by Dream On Me to fit the dimension of the bassinet mattress.

Strings can cause strangulation! Do not place items with a string around a child's neck, such as hood strings or pacifier cords. Do not suspend strings over a bassinet or attach strings to toys. **NEVER** leave child unattended, allowing your child near the bassinet.

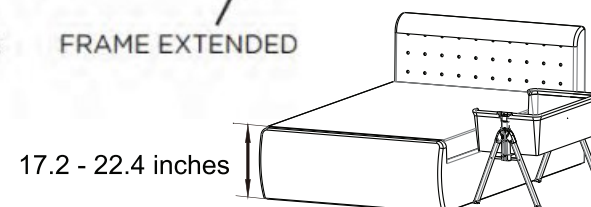

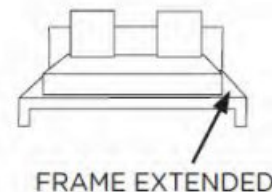

⚠ WARNING

- Always use ALL required parts for each use mode in bassinet or bedside sleeper.
- Always read and follow assembly instructions for each product use mode (bedside sleeper or bassinet).
- Check instruction manual for a list of required parts. Periodically check product for loose, damaged, or missing parts.
- A bedside sleeper is designed to provide a sleeping area for an infant until he or she begins to push up on hands and knees or reaches approximately 5 months of age. Move your child to another sleeping product when your child reaches this stage.
- This bedside sleeper is designed for use only with adult beds that are between 17.2 and 22.4 inches from floor to top of adult mattress.
- Mattress, box spring, and bed frame must share the same width. The product cannot attach to the adult bed if the frame is bigger than the box spring.

ACCEPTABLE BED FRAME
IN-LINE

UNACCEPTABLE BED, MATTRESS,
BOXSPRING & FRAME NOT IN-LINE

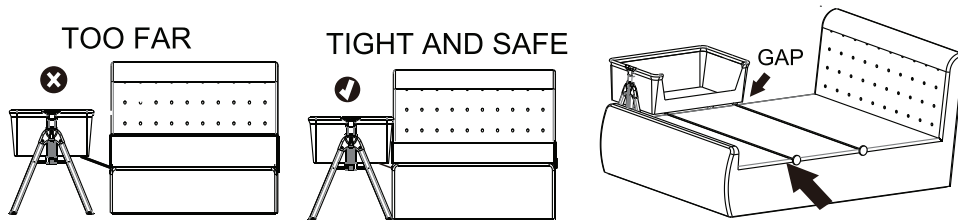

⚠ WARNING

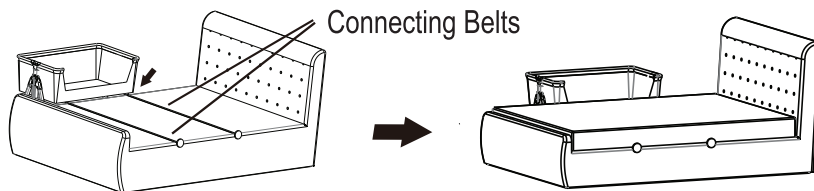

- **Entrapment Hazard** — To prevent death from entrapment, bedside sleeper must be properly secured to adult bed using the connecting belts.

- (1) There must be no more than 1/2 inch (13mm) gap between bedside sleeper and adult bed.
- (2) Check tightness before each use by pulling bedside sleeper in the direction away from adult bed.
- (3) If gap exceeds 1/2 inch (13mm), DO NOT use product.

Do not fill the gap with pillows, blanket or other items that are suffocation hazards.

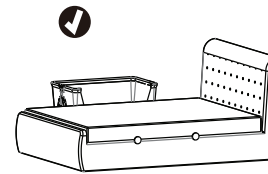

- The connecting belt (attachment system) must always be used and properly secured to adult bed by tightening the connecting belt while using in bedside sleeper mode.

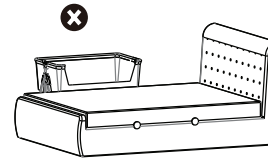

⚠ WARNING

- To avoid death from the infant's neck being caught on the top rail on the side that is next to the adult bed, the top rail must be no higher than the adult bed mattress.

CORRECT
THE TOP RAIL LOWER THAN THE
ADULT BED MATTRESS.

WRONG
THE TOP RAIL HIGHER THAN THE
ADULT BED MATTRESS.

Maintenance and Care

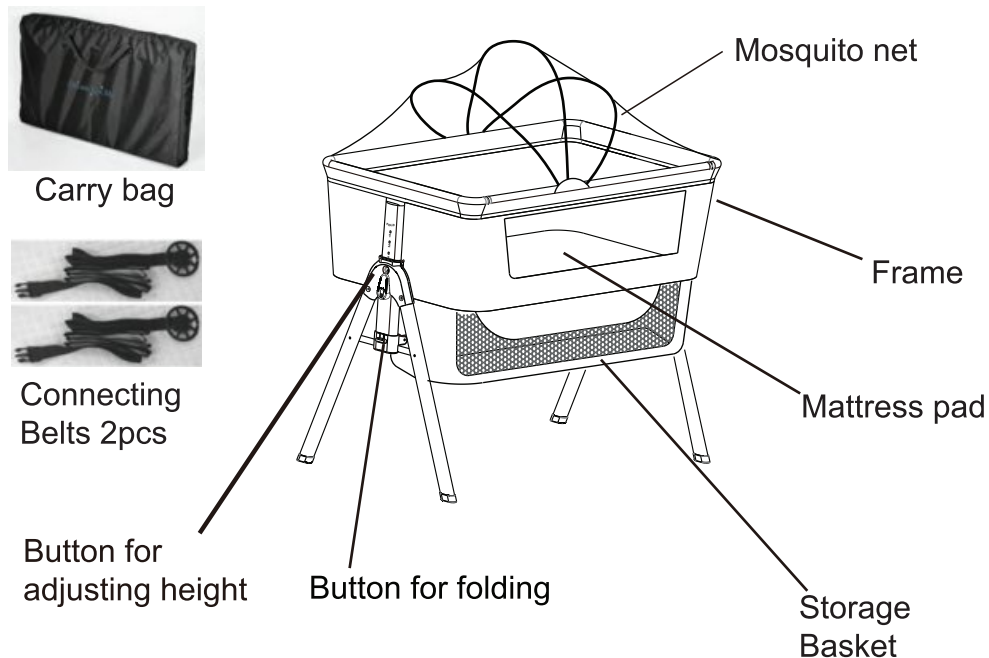

To clean, use only mild household soap or detergent and warm water on a sponge or clean cloth.

Check your mattress pad for loose screws, worn parts, torn material or stitching on a regular basis. Replace or repair parts as needed. Discontinue use of the bedside sleeper should it malfunction or become damaged or broken. Please contact Dream On Me for repair or to obtain replacement parts.

Thank you for choosing Dream On Me and congratulations on joining The DOM Family, a family that has been transforming lives for 30 years! Thank you again for entrusting us to supply you with the safest, functional and affordable baby products and accessories. Feel free to follow us on Facebook and Instagram for further opportunities and offers.

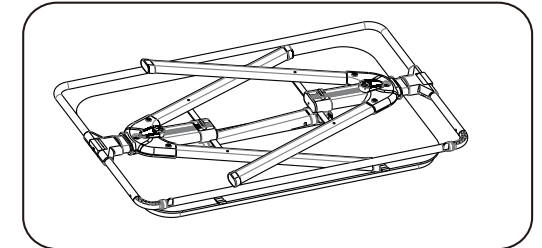

Parts List

Please check to make sure that all of the following parts are included in the box when opened. If there are any missing parts, please contact Dream On Me before using the product.

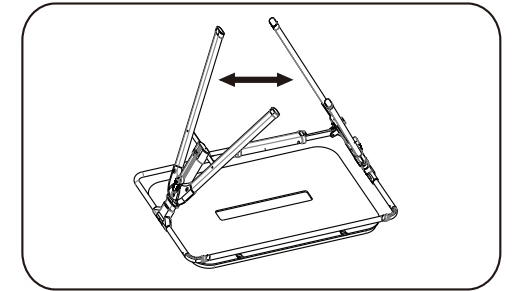

To Set Up Use In Bassinet Mode

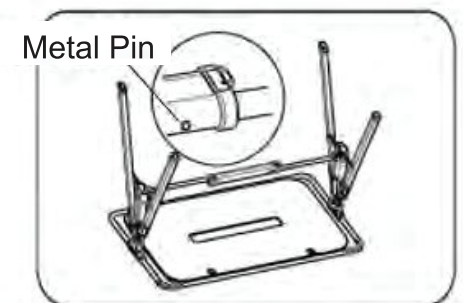

1. Removing all of packaging, and put the frame on a flat platform.

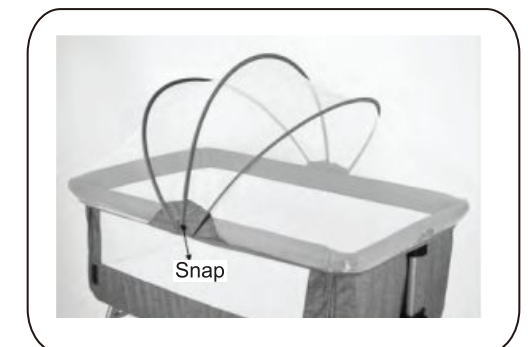

2. Lift the two legs and push them to vertical position.

3. Check and make sure that the two metal pins come out, engaging the locking mechanism. Turn it over and put the mattress pad in.

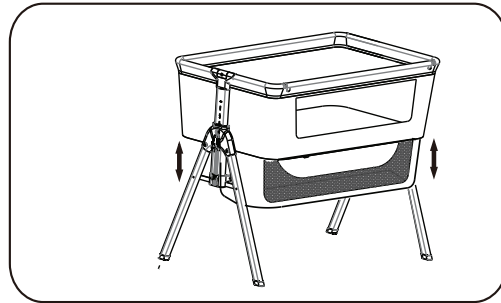

4. Attach the mosquito net onto frame using the 2 snaps located at both side as shown

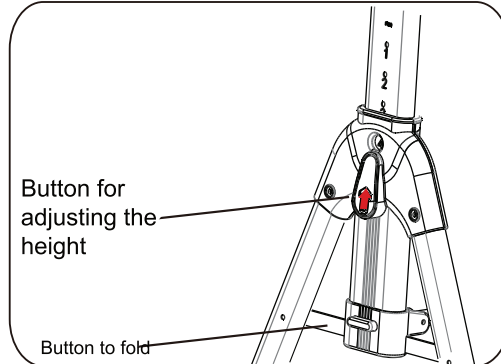

To Switch to Bedside Sleeper Mode

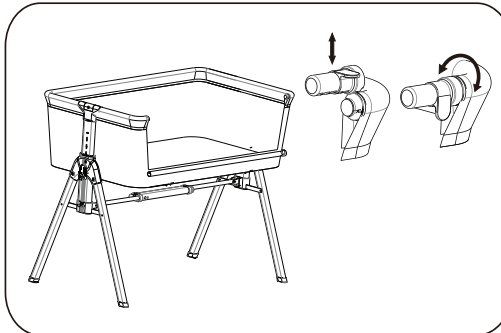

1. This product is adjustable to 4 height positions. Adjust the height of the product to a suitable position to attach it to the adult bed. The 4 adjustable heights are indicated by 1, 2, 3, and 4. When folding the product, there is a "FOLD" indicator.

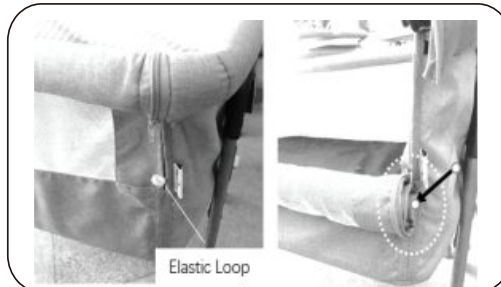

There are two functional buttons on either set of legs. It takes two steps to change the height of the product. Push up the button with up-arrow while using the other hand to lift the bassinet. Release the button when the product reaches the suitable height for your adult bed.

2. To remove the 4th side, open the two zippers and turn two clips on both ends counterclockwise 90° to the flat position, while lifting them to release the side. To close the 4th side, put the top rail back and turn the two clips as shown above clockwise 90° to lock it. Then, zip up the zippers.

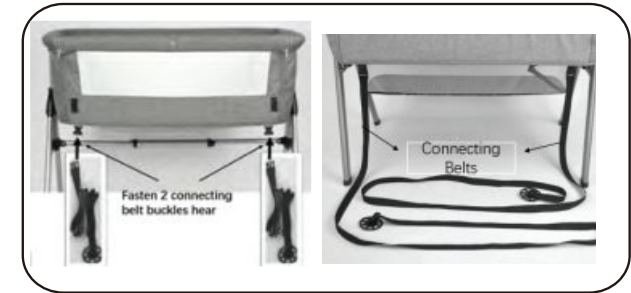

3. Roll up the 4th side and hang it on the front wall of product using the elastic loop.

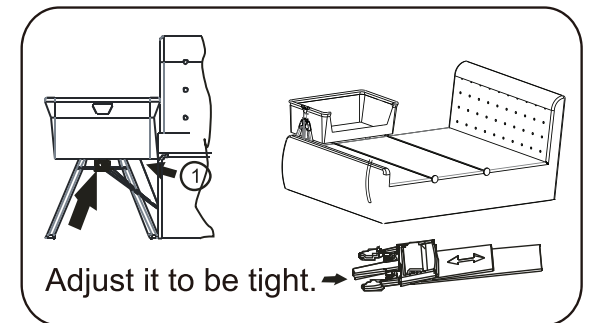

To secure the bedside sleeper to the adult bed

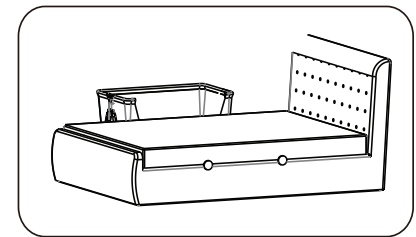

1. Fasten the connecting belt buckles underneath bedside sleeper.

2. Fasten the belts tight over the box spring fix the bedside sleeper to the adult bed.

3. Put the mattress onto the box spring.

⚠ WARNING

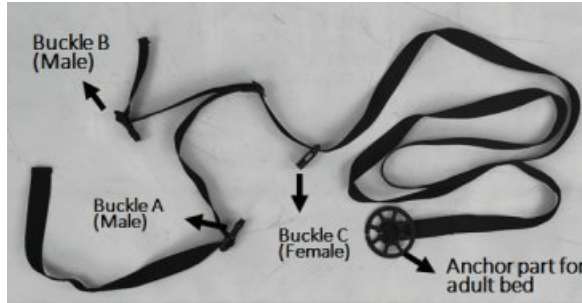

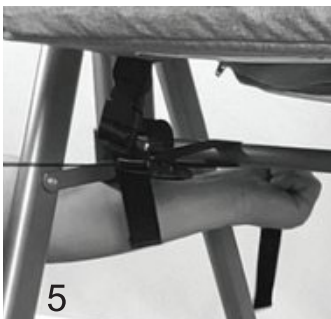

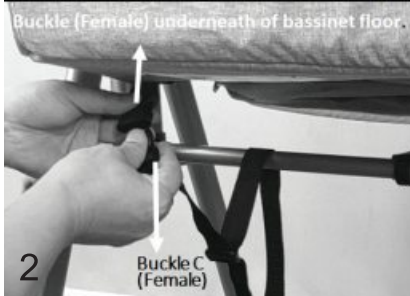

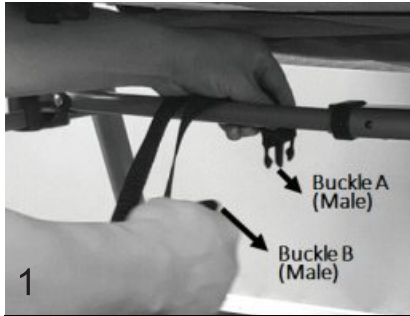

The connecting belt (attachment system) must always be used and properly secured to adult bed by tightening the connecting belt while using the product in bedside sleeper mode.

Make sure the removable side is locked when it is no longer attached to the adult bed.

#388 bassinet/bedside sleeper

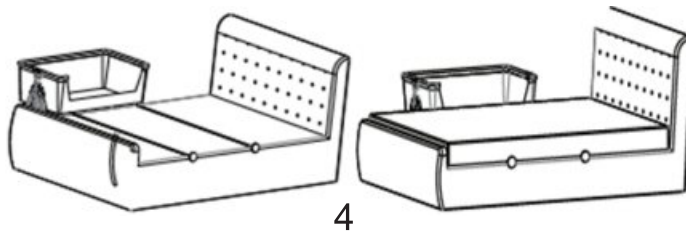

Manual Insert

How to attach fixing belt to bedside sleeper

1. Fit the buckle A over the cross bar and fasten with buckle B

2. Fasten buckle C (Male) with buckle (Female) underneath of bassinet floor.

4. Put the fixing belt over the box spring and put the mattress on top.

5. Adjust the belt of buckle A to be tight against adjust bed. Make sure that there is no gap between bed side sleeper and adult bed.

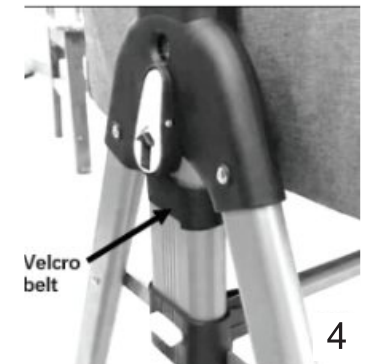

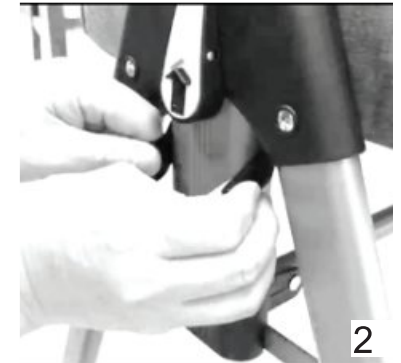

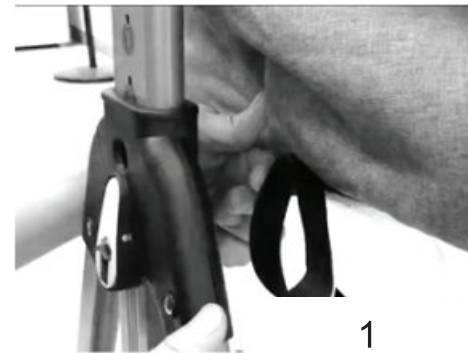

#388 bassinet/bedside sleeper

Manual Insert

Using of velcro belt

Once assembled, use this velcro straps to stabilize the bassinet, preventing it from rocking.

Grab both ends of the straps and velcro them around the support leg as shown.

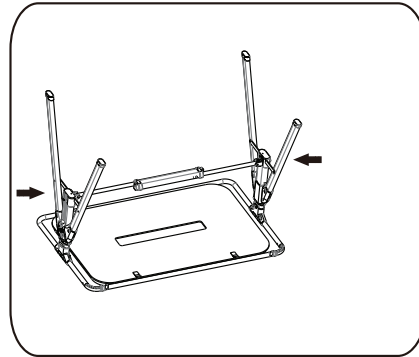

WARNING!

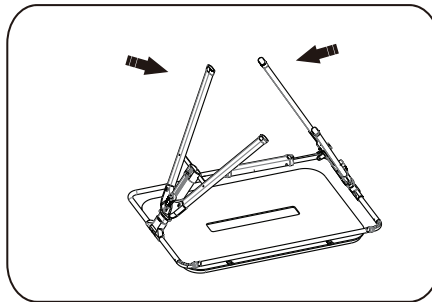

You MUST undo and release the velcro straps before folding the product.

To Fold the Product

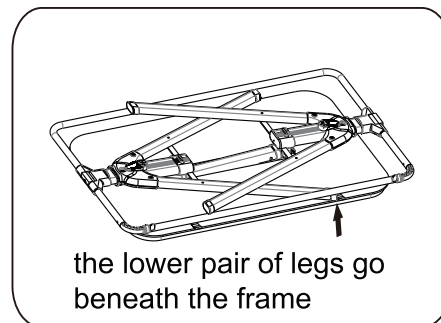

1. Adjust height of the product to the “FOLD” position, i.e., the lowest height. Check to see the mark “FOLD” on both sides of the legs. Then, turn over the product upside down and put it on a flat surface. Press the two long oval buttons to unlock the fixed pins.

2. Once the fixed pins are unlocked, put the legs down while pressing the two buttons for folding.

3. Fold the legs into the center of the frame and insert the lower pair of legs beneath the frame. Next, you can use the carry bag for travel or storage.
