- Caregivers must ensure that the bassinet is safe by checking regularly and before placing the child in it, that every part is properly and securely in place.
- Check this bassinet regularly before using it. Do not use it if any parts are loose or missing or if there are any signs of damage. DO NOT substitute parts. Contact Dream On Me for replacement parts or additional instructions if needed.

REMOVE THE BASSINET FABRIC FOR WASHING

Unzip them and remove the 4 zippers under the fabric around the bassinet for washing.

CLEANING

Fabric Assembly:

Bassinet fabric may be removed for cleaning. Always follow instructions for removal and applying. Bassinet fabric may be hand washed in mild detergent. Never use bleach. Dry and iron on low setting for best appearance.

Frame:

Frame paint may be touched up as needed. Use only nontoxic paints approved for children's products. Check all frame fasteners occasionally. Tighten all screws and bolts as necessary

DISASSEMBLY AND STORAGE

1. Remove the mattress pad.
2. Store your bassinet in a cool, dry place.

SPECIAL INSTRUCTIONS

This bassinet is guaranteed to meet all federal and provincial standards and will provide many years of service provided you adhere to the guidelines provided for assembly, maintenance and operation.

- Never aim a vaporizer or humidifier directly at the bassinet. The water vapor may ruin the finish of the bassinet.
