IMPORTANT! KEEP FOR FUTURE REFERENCE

Thank you for choosing Dream On Me and congratulations on joining The DOM Family, a family that has been transforming lives for 30 years! We appreciate your feedback and wish you the very best in the coming years with your new addition. If you have any questions or concerns please don't hesitate to reach out and a trusted DOM representative will assist you. Thank you again for entrusting us to supply you with the safest, functional and affordable baby products and accessories. Feel free to follow us on Facebook and Instagram for further opportunities and offers.

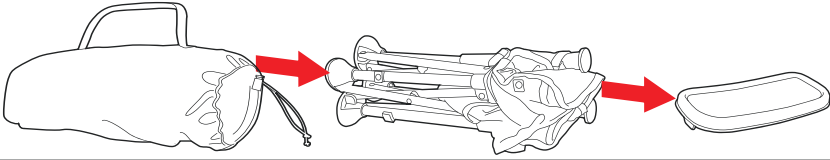

Parts list

Please check to make sure that all of the following parts listed are included in the box when opened. If there are any missing parts, please contact Dream On Me before using the product.

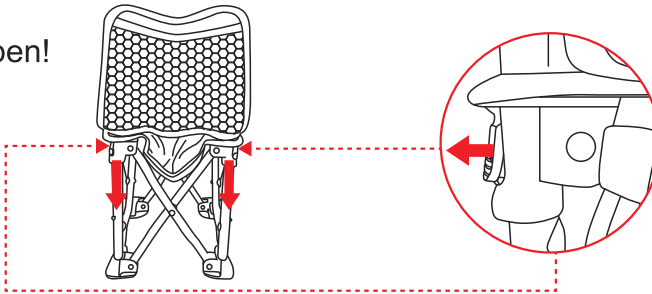

Assembly

- ❶ Remove tray and booster seat.

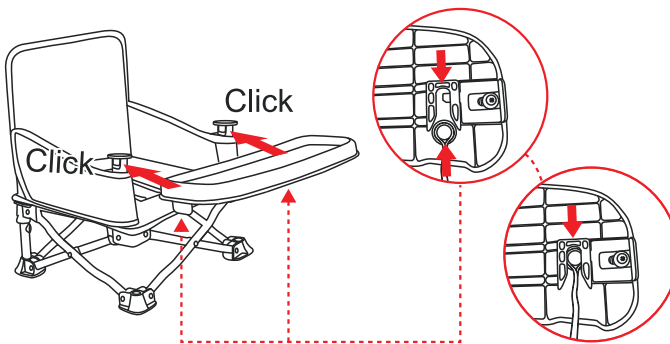

- ❷ Press down on the 2 black plastic joints as shown below.

Pull open!

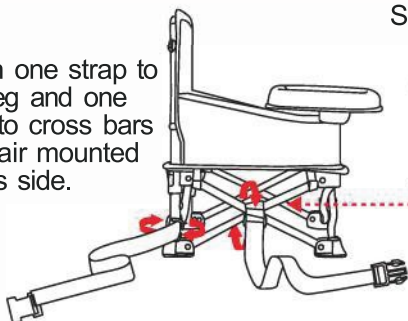

- ❸ Squeeze the levers on the side of the tray and slide it onto the booster seat.

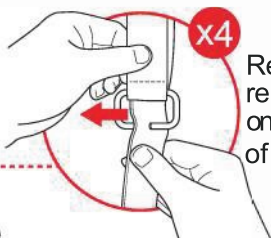

Note: Before use, ensure that the tray connection is secure.

Securing booster to the chair

Attach one strap to rear leg and one strap to cross bars on chair mounted chair's side.

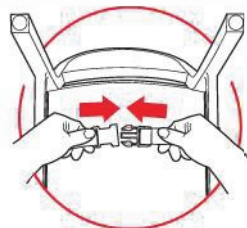

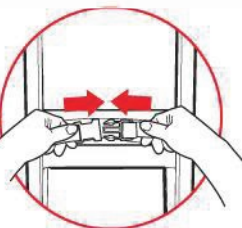

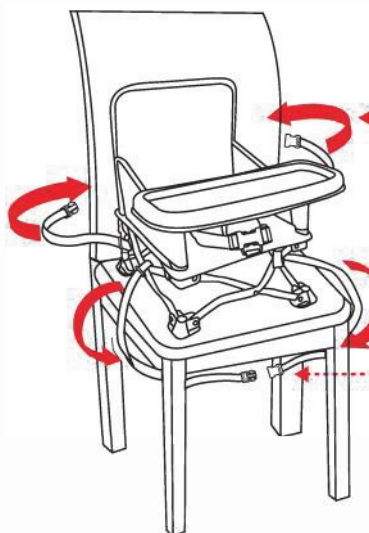

Slide strap through the buckle.

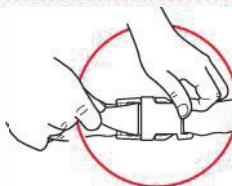

Repeat with two remaining straps on opposite side of chair.

Place booster seat on chair.

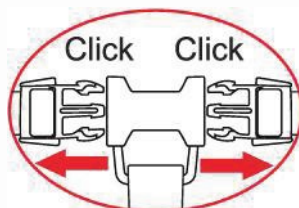

Fasten clips around chair back and underneath chair seat.

Be sure to tighten straps.

Child restraint

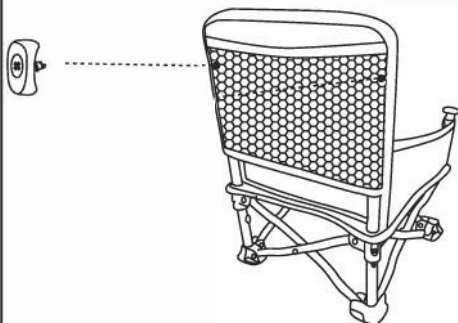

WARNING

Prevent serious injury or death from falls or sliding out.

Clean seat cloth cover

Take off the tray and remove the 2 screws from the back of the seat.

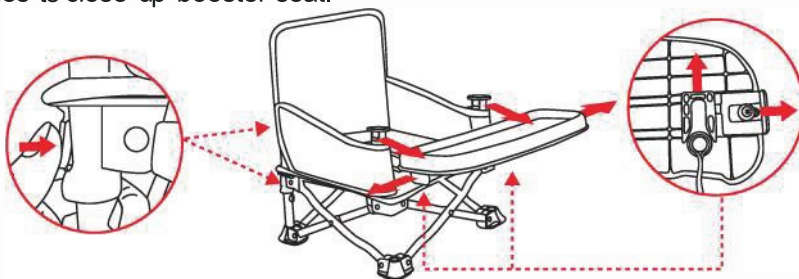

Remove the velcro from the legs and remove the cloth cover as shown below.

Tray removal & storage

Press down the locks on both sides to close up booster seat.

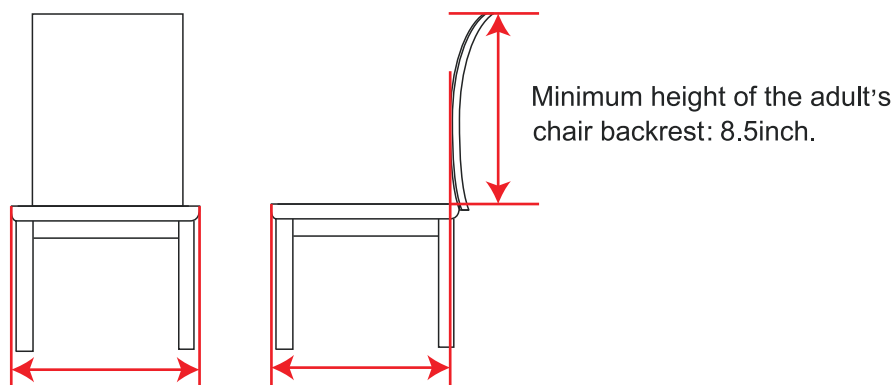

Squeeze levers on tray and slide off booster seat.

Slide tray and booster seat into travel bag.

Adult chair measurement method

Minimum dimensions of the adult's chair seat: 13.6inch.

⚠ WARNING

Children have suffered **head injuries**, including skull fracture **after falling** with or from booster seats.

- Check that the booster seat is **securely attached** to adult chair before each use.
- **Always use restraints** until child is able to get in and out of booster seat without help. Adjust to **fit snugly**.
- **Never** allow child to push away from table.
- **Never lift** and **carry** child in booster seat.
- **Stay near** and **watch** your child during use.
- Prevent serious injury. Do not use in motor vehicles.
- Until child is able to get in and out of the booster seat without help (about 2 1/2 years old), the child should be secured in the booster seat at all times by the restraining system.
- The tray is not designed to hold the child in the chair.
- This booster seat is intended to be positioned on an adult chair to raise the sitting position of a child able to sit unaided up to an age of 36 months or a maximum weight of 33 lbs.
- Minimum dimensions of the adult's chair seat: 13.6inch*13.6inch.
- Minimum height of the adult's chair backrest: 8.5inch.
