ASSEMBLY INSTRUCTIONS

ITEM NO: 724

Follow warnings on all products in a crib .
Adult assembly required.

Small parts may present choking hazard prior to assembly.

Enclosed please find simple step-by-step instructions to help you quickly assemble your products. Before you begin we recommend that you following the steps below:

- 1. Please read the instructions thoroughly.**
- 2. Identify all parts and hardware**
- 3. You will need the following tools:**

Philips head screw driver

Flat head screw driver

Hammer

Do Not Use Power Drills or Drivers

To protect your parts during assembly please place them on a soft surface.

To clean surface use only water on a damp cloth. Do not use window cleaners or cleaning abrasives as it will scratch the surface and could damage the protective coating.

WARNING !

- Failure to follow these warnings and instruction could result in serious injury or death.
 - Read all instructions before assembling crib, keep instructions for future use.
 - Upon completion of assembly be sure all screws, bolts and fastening devices have been securely tightened. A frequent check should be made.
 - Never use this product if there are any loose or missing fasteners, loose joints, broken parts, or torn mesh/fabric. check before assembly and periodically during use.
Contact DREAM ON ME for replacement parts and instructional literature if needed.
 - Never substitute parts, the product including side rails, must be fully erected prior to use.
 - Discontinue use of the product when child is able to climb out or reaches the height of 35in (900mm).
 - Never place product near window where cords from blinds or drapes can strangle a child.
 - When child is able to pull to standing position, set mattress/base to lowest adjustment position and remove bumper pads, large toys, and other objects that could serve as steps for climbing out. A child can trap parts of the body or clothing on loose fasteners.
 - Never use plastic shipping bag or other plastic film as mattress covers not sold and intended for that purpose, they can cause suffocation.
 - CAUTION: Any mattress used in this crib must be at least 27-1/4 inches (690mm) by 51-5/8 inches (1310mm), with a thickness not exceeding 6 inches (150mm), the dimensions of the mattress shall be taken from seam to seam or edge to edge where appropriate.
 - Never use a water mattress with this product.
 - Strings can cause strangulation! Never place items with a string around a child's neck, such as hood strings or pacifier cords. Never suspend strings over product or attach strings to toys.
 - Infants can suffocate in gaps between a mattress too small or too thick and product sides, on soft bedding never add a mattress, pillow, comforter or padding.
 - To reduce the risk of SIDS, pediatricians recommend healthy infants be placed on their back to sleep, unless otherwise advised by your physician.
 - If refinishing, use a non-toxic finish specified for children's products.
 - Infants can suffocate on soft bedding.
 - Never add a pillow or comforter.
 - Never place additional padding under an infant.
 - To help prevent strangulation tighten all fasteners.
 - A child can trap parts of the body or clothing on loose fasteners.
 - Follow warnings on all products in a crib.
- See head panel & mattress support of the product for warnings.
Replace teething rail if damaged, cracked or loose.

MADE IN CHINA
